Please check menu/nutritional cards at each station for ingredients. All menus, nutritional, and allergen information for Rob's Café can be found at www.akron.campusdish.com.

Visit our website Campus Dish at www.akron.campusdish.com to find information on dining locations, menus, hours of operation and more. View menus served at Rob's Café and utilize the Allergen & Intolerances or Food Preferences filters as a guide when making food choices. The Allergens & Intolerances filter includes – eggs, fish, milk, peanuts, shellfish, soy, tree nuts and wheat. Food Preferences include vegan and vegetarian.

We rely on our vendors' allergy warning and ingredient listings. Because we operate in a commercial kitchen, we can not guarantee that the food will be completely free of allergens or cross-contact.

Our dining team strives to accommodate students who have dietary restrictions due to food allergies and/ or intolerances. Please visit our website or contact our Dining Service team for more information about dining options that fit your needs.
